

The Chicago Tartan Ten Association and the Corinthian Offshore Fleet invite everyone to attend a Seminar:

AIS TRANSPONDING: GET WIRED
PLUS
CHICAGO WATER WEATHER WITH THE NWS

At the Club, Saturday, January 13, 2024
9:00 a.m. to Noon - Chicago Corinthian
Yacht Club, Montrose Harbor

The CYCRTM will not be requiring boats to Transmit (TX) AIS signals for 2024, however all boats must still be able to Receive (RX) and display AIS signals as in years past. But it's probably coming! T-10 Fleet Captain Blane Boynton has installed it and will talk about how it's done. Joining Blane is a representative from Chicago Yacht Club. Bring your questions. AIS can be for anyone in our crowded waters.

Also- NWS has a wealth of information for sailors. One of its local forecasters, Zachary Yack, will speak on weather for sailors on our end of Lake Michigan.

We are providing coffee and breakfast treats!

RSVP TO: sfink26340@aol.com

Send this to all your crew!

EVERYONE WELCOME- FROM ANY FLEET, ANY CLUB!

Chicago Corinthian Yacht Club: Christa Georgeson, Commodore
Chicago T-10 Association, Blane Boynton, Fleet Captain
CCYC Offshore Fleet Captain, Chuck Fogel
