

The Chicago Tartan Ten Association and the Corinthian Offshore Fleet invite everyone to attend a Seminar:

RIGGING IT

**At the Club, Saturday, March 9, 2024
9:00 a.m. to Noon - Chicago Corinthian
Yacht Club, Montrose Harbor**

Write your own joke. In the meantime, Kristian Martincic will answer all your questions about the importance of rigging in holding up a mast, holding down the boom and whether to do it with line or steel. Let's also talk halyards, sheets, shackles and blocks. Kristian wants to tailor this discussion to what you want to hear. Send me your questions or bring them to the session.

We are providing coffee and breakfast treats!
